

Conclusion

Applicant submits that the specification and claims are now in proper form, and that claims define patentably over the prior art. Therefore Applicant submits that this application is now in condition for allowance, which action he respectfully solicits.

Request For Conditional Constructive Assistance

Applicant has amended the claims of this application so that they are proper, definite, and define novel structure, which is also unobvious. If for any reason this application is not believed to be in full condition for allowance, Applicant respectfully requests the constructive assistance and suggestions of the Examiner pursuant to M.P.E.P. § 706.03(d) and § 707.07(j) in order that the undersigned can place this application in allowable condition as soon as possible and without the need for further proceedings.

Very respectfully,

Dale Fiene
